

# Expression of Interest

Would you like to be involved in helping us plan how health services are developed and provided by the Tasmanian Health Service?

Would you like to provide feedback and have positive input into health services at the Royal Hobart Hospital?

Then we would love to hear from you! We are seeking consumer involvement to help us make improvements in how we deliver care.

There are two ways you can get involved.

## **Our Consumer Representative Group**

- This is where you will be asked to give feedback or get involved in things that interest you at the hospital.
- This might be reviewing patient information sheets or taking part in groups, committees or projects when you have the time.

## **Our Consumer and Community Engagement Council (CCEC)**

- Offers a more formal opportunity for input through the monthly meetings.
- Here, you will review, monitor and plan activities both within the Hospital and for the whole of the Tasmanian Health Service.
- The focus is on service improvement and patient safety. This will normally require between three to five hours a week.

All consumer roles are voluntary, but your expenses will be reimbursed.

If either of these is something that interest you and would like more information, please contact us at:

Email - [consumer.engagement@ths.tas.gov.au](mailto:consumer.engagement@ths.tas.gov.au) or Phone (03) 6166 7586
