

Jasmine Unit: Roy Fagan Centre

Fact Sheet | June 2022

The **Jasmine Unit** is a secure ten bed unit located within the **Roy Fagan Centre** in **Lenah Valley**, Hobart. The Roy Fagan Centre is a specialised centre for the assessment and treatment of older persons.

Your Care

During admission to the Jasmine Unit you, your family member, carer, or advocate will be consulted about your care. This will include assessment, treatment, and discharge plans.

Staff will organise transport if you need to attend medical appointments during your stay.

Our Team includes

Care at the Jasmine Unit is provided by:

- Geriatricians
- Psychologists
- Specialist Nurses
- Carers and Diversional Therapists
- Social Workers
- Occupational Therapists
- Speech Pathologists
- Physiotherapists
- Dietitian
- Pharmacist

What you should bring?

As a guide we recommend:

- non-slip, good fitting shoes
- easy-fit day clothes
- comfortable nightwear
- toiletries
- any walking aids

We ask that you do not bring valuables as they cannot be secured for you. Please note laundry can be done on site by staff if you wish. We ask that your name be placed on all clothing.

For more information about our service and the Roy Fagan Centre please ask staff for an *Information for consumers* booklet.

Visiting and Leave

Daily visiting hours are:

10:00 am to 12:30 pm

2:00 pm to 5:00 pm

7:00 pm to 9:00 pm

The staff may recommend how often visits occur depending on your care plan.

Day or overnight leave may be arranged by talking to your treating team.

Mealtimes daily are breakfast 8:30 am, lunch 1:00 pm and dinner 5:00 pm.

Parking

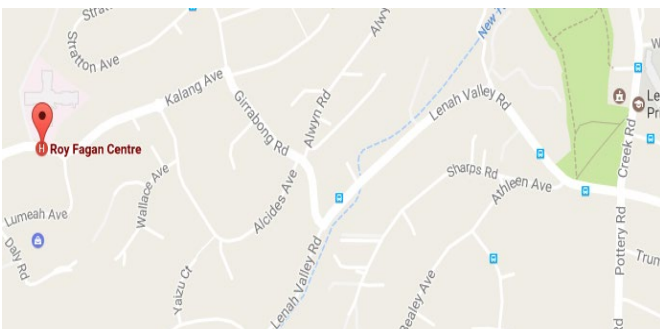

There is limited visitor parking available on site. See reception staff to obtain a daily parking permit.

Please observe all parking restrictions as per signage.

Directions

From Main Road, New Town turn into Augusta Road and follow to Lenah Valley Road.

Turn right into GIRRABONG Road and then left into Kalang Avenue – the Centre is on the right directly after the second roundabout.

Discharge

Discharge is coordinated with you, your family or carer, this includes:

- Referral to appropriate community services.
- A home visit may be conducted prior to discharge.
- Your Doctor (GP) will receive a letter from our treating team advising of your treatment and medication.
- One month's supply of medication is provided on discharge. An account is issued with this medication.

Please note that staff or family may arrange transport for you on discharge from the centre depending on your individual situation.

Fees

Fees will apply if you receive care for more than 35 days within the Tasmanian Health Service and are no longer acutely well.

We will talk with you about the amount of fees required, which will depend on your personal situation.
