

# STOP

## THIS HAPPENING TO SOMEONE YOU LOVE!

### When using a wood heater:

- Supervise young children at all times
- Always use a fixed fire screen
- Never use accelerants to light a fire
- Keep clothing and furniture at least 2 metres from the heater/fire
- Clean chimneys and flues professionally every year
- Install a smoke alarm.

For further information contact the Tasmanian Burns Unit at [dhhs.tas.gov.au/burns](http://dhhs.tas.gov.au/burns) or visit [fire.tas.gov.au](http://fire.tas.gov.au)

### BURNS FIRST AID

Cool the burn  
for at least  
**20 minutes**  
under cool  
running water,  
and seek medical  
attention.
