

# COVID-19 Plans for Tasmanian Settings

[www.worksafe.tas.gov.au/topics/Health-and-Safety/safety-alerts/coronavirus/covid-safe-workplaces-framework](http://www.worksafe.tas.gov.au/topics/Health-and-Safety/safety-alerts/coronavirus/covid-safe-workplaces-framework)

*\*High risk settings are settings where, due to the nature of the setting, COVID-19 may spread quickly, management of outbreaks may be particularly complex, there is higher risk of cases triggering community spread, or cases may cause disruption to essential services if workers are sick or are quarantined or furloughed.*
